## EXPLANATORY NOTE

On October 20, 2021, the registrant filed a Registration Statement on Form S-1 (File No. 333-260387), as amended on October 21, 2021, which was subsequently declared effective by the U.S. Securities and Exchange Commission (the “SEC”) on October 27, 2021 (as pre-effectively amended, the “Registration Statement”).

The prospectus in the Registration Statement related to the issuance by the registrant of up to (i) 13,800,000 shares of its common stock, \$0.0001 par value per share (“common stock”) issuable upon the exercise of its publicly-traded warrants (the “Public Warrants”), (ii) 3,562,000 shares of its common stock issuable upon the exercise of private warrants (the “Private Warrants”) issued to Galileo Founders Holdings, L.P. (the “Sponsor”), (iii) 548,000 shares of its common stock issuable upon the exercise of private warrants issued to EarlyBirdCapital, Inc. (the “EBC Warrants”) and (iv) 500,000 shares of its common stock issuable upon the exercise of working capital warrants originally issued to the Sponsor (the “Sponsor Warrants” and, together with the Public Warrants, the Private Warrants and the EBC Warrants, the “Initial Warrants”).

That certain warrant agreement, dated October 17, 2019, between Galileo Acquisition Corp. and Continental Stock Transfer & Trust Company (the “Warrant Agreement”) provides that the Private Warrants, the Sponsor Warrants and the EBC Warrants have identical terms to the Public Warrants, except that the Private Warrants, the Sponsor Warrants and the EBC Warrants (i) will not be redeemable by the Company and (ii) may be exercised for cash or on a cashless basis, so long as they are held by the initial purchaser or any of its permitted transferees. Further, the Warrant Agreement provides that once a Private Warrant, Sponsor Warrant or EBC Warrant is transferred to a holder other than a permitted transferee, it shall be treated as a Public Warrant thereunder for all purposes.

On November 17, 2021, the Sponsor dissolved and effected a pro rata distribution-in-kind to its members comprising 2,760,000 shares of common stock, 3,562,000 Private Warrants and 500,000 Sponsor Warrants (the “Distribution”). Following the Distribution, an aggregate of 3,289,592 Private Warrants and Sponsor Warrants have been re-classified as Public Warrants as of September 15, 2022.

Additionally, EBC transferred 548,000 EBC Warrants to holders other than permitted transferees. As a result, all EBC Warrants have been re-classified as Public Warrants.

On May 6, 2022, the registrant filed Post-Effective Amendment No. 1 to Form S-1 to update the Registration Statement to include (i) information contained in the registrant’s Annual Report on Form 10-K, filed with the SEC on March 31, 2022, as amended by Amendment No. 1 on Form 10-K/A, filed with the SEC on April 1, 2022, (ii) updated information regarding the shares of common stock registered for issuance upon the exercise of Initial Warrants, (iii) updated information regarding the Selling Securityholders, including a reduction in the number of shares of common stock and a reduction in the number of Warrants being offered by the Selling Securityholders to 10,753,174 shares of common stock and 298,408 Warrants (which were distributed to affiliates of the registrant in the Distribution) and (iv) certain other information in such Registration Statement.

This Post-Effective Amendment No. 2 to Form S-1 on Form S-3 (“Post-Effective Amendment No. 2”) is being filed by the registrant to (i) convert the registration statement on Form S-1 into a registration statement on Form S-3 and (ii) include updated information regarding the Selling Securityholders, including a reduction in the number of shares of common stock being offered by the Selling Securityholders to 10,650,174 shares.

No additional securities are being registered under this Post-Effective Amendment No. 2. All applicable registration fees were paid at the time of the original filing of the Registration Statement.

We will not receive any proceeds from the sale by such Selling Securityholders of the securities offered by them described in this prospectus. Further, on the Closing Date, as contemplated by the Merger Agreement, Galileo filed a notice of deregistration with the Cayman Islands Registrar of Companies, together with the necessary accompanying documents, and filed a certificate of incorporation and a certificate of corporate domestication with the Secretary of State of the State of Delaware, under which Galileo was domesticated and continued as a Delaware corporation, changing its name to “Shapeways Holdings, Inc.” (the “Domestication” and, together with the Merger, the “Business Combination”).

Statements as to industry position are based on market data currently available. While we are not aware of any misstatements regarding the industry data presented herein, these estimates involve risks and uncertainties and are subject to change based on various factors, including those discussed under the heading “*Risk Factors*” in this prospectus. ## CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, (the “Securities Act”) and Section 21E of the Securities Exchange Act of 1934, as amended, (the “Exchange Act”). All statements contained in this prospectus, the documents incorporated by reference herein and any applicable prospectus supplement other than statements of historical fact, including statements regarding our future results of operations, financial position, market size and opportunity, our business strategy and plans, the factors affecting our performance and our objectives for future operations, are forward-looking statements. In addition, any statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. Forward-looking statements are typically identified by words such as “plan,” “believe,” “expect,” “anticipate,” “intend,” “outlook,” “estimate,” “forecast,” “project,” “continue,” “could,” “may,” “might,” “possible,” “potential,” “predict,” “should,” “would,” “will,” “seek,” “target,” and other similar words and expressions, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements are based on the current expectations, forecasts and assumptions of the management of Shapeways, involve a number of judgments, risks and uncertainties and are inherently subject to changes in circumstances and their potential effects and speak only as of the date of such statements. There can be no assurance that future developments will be those that have been anticipated. These forward-looking statements involve a number of risks, uncertainties or other assumptions that may cause actual results or performance to be materially different from those expressed, contemplated or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described in “*Risk Factors*,” and the following:

- Actual results may vary from expectations regarding (and the Company’s ability to meet expectations regarding) the Company’s strategies and future performance, including Shapeways’ future business plans or objectives and its ability to invest in growth initiatives.
- The Company has a history of losses and may not achieve or maintain profitability in the future.
- The Company faces significant competition and expects to face increasing competition in many aspects of its business, which could cause its operating results to suffer.
- The digital manufacturing industry is a relatively new and emerging market and it is uncertain whether it will gain widespread acceptance.
- If the Company fails to grow its business as anticipated, revenues and gross margin will be adversely affected.
- The Company’s attempts to expand its business into new markets and geographies may not be successful.
- The Company’s stock price may be volatile or may decline regardless of its operating performance.
- The Company’s operating results and financial condition may fluctuate on a quarterly and annual basis.
- Failure to attract, integrate and retain additional personnel in the future could harm the Company’s business and negatively affect the Company’s ability to grow its business.
- Interruptions to or other problems with the Company’s website user interface, information technology systems, manufacturing processes, or other operations could damage the Company’s reputation and brand and substantially harm its business and results of operations.
- As part of the Company’s growth strategy, it may continue to acquire or make investments in other businesses, patents, technologies, products, or services. Shapeways may not realize the anticipated benefits of such investments and integration of these investments may disrupt its business and divert management attention.
- The loss of one or more key members of the Company’s management team or personnel could harm its business.

- Shapeways may not timely and effectively scale and adapt its platform, processes, and infrastructure across materials, technologies, markets and software to expand its business.
- The Company's actual results may be significantly different from projections, estimates, targets, or forecasts.
- Other risks and uncertainties set forth under the section entitled "Risk Factors" beginning on page 7 of this prospectus.

Should one or more of these risks or uncertainties materialize, or should any of the assumptions made by the management of Shapeways prove incorrect, actual results may vary in material respects from those projected in or contemplated by these forward-looking statements.

Except to the extent required by applicable law or regulation, Shapeways undertakes no obligation to update these forward-looking statements to reflect events or circumstances after the date of this Registration Statement or to reflect the occurrence of unanticipated events.

## **RISK FACTORS**

An investment in our securities involves a high degree of risk. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K, as amended by Amendment No. 1 on Form 10-K/A, subsequent Quarterly Reports on Form 10-Q or any Current Reports on Form 8-K, and all other information contained or incorporated by reference into this prospectus as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in any applicable prospectus supplement and any applicable free writing prospectus before acquiring any such securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered securities. See “Where You Can Find More Information; Incorporation by Reference” in this prospectus.

#### **USE OF PROCEEDS**

We will receive proceeds equal to the aggregate exercise price from any exercise of the Warrants, assuming the exercise of the Warrants for cash.

We expect to use the net proceeds from the exercise of the Warrants for general corporate purposes, including working capital, operating expenses and capital expenditures. We will have broad discretion over the use of proceeds from the exercise of the Warrants. There is no assurance that the holders of the Warrants will elect to exercise any or all of such Warrants, or will elect to exercise their Warrants for cash. To the extent that Warrants are exercised on a "cashless basis," the total amount of cash we may receive from cash exercises of the Warrants will decrease.

All of the shares of common stock and the Private Warrants offered by the Selling Securityholders pursuant to this prospectus will be sold by the Selling Securityholders for their own account. We will not receive any of the proceeds from these sales.

## SELLING SECURITYHOLDERS

This prospectus relates to the offer and resale, from time to time, by the Selling Securityholders named in this prospectus of (a) up to 10,650,174 shares of common stock, consisting of (i) up to 3,150,000 PIPE Shares and (ii) up to 7,800,174 shares of common stock (which includes 300,000 PIPE Shares) held by affiliates of Shapeways, and (b) up to 298,408 Private Warrants held by affiliates of Shapeways. In addition, this prospectus relates to the offer and sale of up to 18,410,000 shares of common stock that are issuable by us upon the exercise of 18,410,000 Warrants to purchase shares of common stock, consisting of (a) 17,637,592 Public Warrants and (b) 772,408 Private Warrants held by members of the Sponsor that received Private Warrants in the Distribution.

The following table sets forth the names of the Selling Securityholders, the aggregate number of shares of common stock and Warrants held by each Selling Securityholder immediately prior to the sale of the shares of common stock and Warrants in this offering, the number of shares of our common stock and Warrants that may be sold by each Selling Securityholder under this prospectus and that each Selling Securityholder will beneficially own after this offering, based on information supplied to us by the Selling Securityholders and our review of stockholder records maintained by our transfer agent. For purposes of the table below, we have assumed that (i) after termination of this offering none of the shares of common stock or Warrants covered by this prospectus will be beneficially owned by the Selling Securityholders and (ii) the Selling Securityholders will not acquire beneficial ownership of any additional securities during the offering. In addition, we assume that the Selling Securityholders have not sold, transferred or otherwise disposed of, our securities in transactions exempt from the registration requirements of the Securities Act. As used in this prospectus, the term "Selling Securityholders" includes the persons listed in the table below, together with any additional selling securityholders listed in a subsequent amendment to this prospectus, and their pledgees, donees, transferees, assignees, successors, designees and others who later come to hold any of the Selling Securityholders' interests in our common stock or the Private Warrants other than through a public sale.

We cannot advise you as to whether the Selling Securityholders will in fact sell any or all of such securities. Any changed or new information given to us by the Selling Securityholders, including regarding the identity of, and the securities held by, each Selling Securityholder, will be set forth in a prospectus supplement or amendments to the registration statement of which this prospectus is a part, if and when necessary.

We have determined beneficial ownership in accordance with the rules of the SEC and the information is not necessarily indicative of beneficial ownership for any other purpose. Unless otherwise indicated below, to our knowledge, the persons and entities named in the tables have sole voting and sole investment power with respect to all securities that they beneficially own, subject to community property laws where applicable.

The Selling Securityholders may sell, distribute or otherwise transfer all, some or none of such securities in this offering. See "Plan of Distribution."

Except as otherwise disclosed below, none of the Selling Securityholders has, or within the past three years has had, any position, office or other material relationship with us.

## PLAN OF DISTRIBUTION

We are registering the issuance of (i) up to 17,637,592 shares of our common stock issuable upon the exercise of our Public Warrants and (ii) up to 772,408 shares of our common stock issuable upon the exercise of our Private Warrants originally issued to the Sponsor.

We are also registering the offer and sale, from time to time, by the Selling Securityholders of (a) up to 10,650,174 shares of common stock, consisting of (i) 3,150,000 PIPE Shares, and (ii) up to 7,800,174 shares of common stock (which includes 300,000 PIPE Shares) held by affiliates of Shapeways, and (b) up to 298,408 Private Warrants held by affiliates of Shapeways that received Private Warrants in the Distribution.

We will not receive any of the proceeds from the sale of the securities by the Selling Securityholders. We will receive proceeds equal to the aggregate exercise price from any exercises of the Warrants, assuming the exercise of the Warrants for cash.

Upon effectiveness of the registration statement of which this prospectus forms a part, the securities beneficially owned by the Selling Securityholders covered by this prospectus may be offered and sold from time to time by the Selling Securityholders, subject to any applicable lock up agreements. The term "Selling Securityholders" includes donees, pledgees, transferees or other successors in interest selling securities received after the date of this prospectus from a Selling Securityholder as a gift, pledge, partnership or limited liability company distribution or other transfer. The Selling Securityholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. Such sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions. Each Selling Securityholders reserves the right to accept and, together with its respective agents, to reject, any proposed purchase of securities to be made directly or through agents. The Selling Securityholders and any of their permitted transferees may sell their securities offered by this prospectus on any stock exchange, market or trading facility on which the securities are traded or in private transactions.

Subject to the limitations set forth in any applicable registration rights agreement, the Selling Securityholders may use any one or more of the following methods when selling the securities offered by this prospectus:

- purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- block trades in which the broker-dealer so engaged will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- an over-the-counter distribution in accordance with the rules of the applicable exchange;
- settlement of short sales entered into after the date of this prospectus;
- agreements with broker-dealers to sell a specified number of the securities at a stipulated price per share;
- in "at the market" offerings, as defined in Rule 415 under the Securities Act, at negotiated prices, at prices prevailing at the time of sale or at prices related to such prevailing market prices, including sales made directly on a national securities exchange or sales made through a market maker other than on an exchange or other similar offerings through sales agents;
- directly to purchasers, including through a specific bidding, auction or other process or in privately negotiated transactions;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- through a combination of any of the above methods of sale; or
- any other method permitted pursuant to applicable law.

In addition, a Selling Securityholder that is an entity may elect to make an in-kind distribution of securities to its members, partners or stockholders pursuant to the registration statement of which this prospectus is a part by delivering a prospectus with a plan of distribution. Such members, partners or stockholders would thereby receive freely tradeable securities pursuant to the distribution through a registration statement. To the extent a distributee is an affiliate of ours (or to the extent otherwise required by law), we may file a prospectus supplement in order to permit the distributees to use the prospectus to resell the securities acquired in the distribution.

The Selling Securityholders also may transfer the securities in other circumstances, in which case the transferees, pledgees or other successors-in-interest will be the selling beneficial owners for purposes of this prospectus. Upon being notified by the Selling Securityholders that a donee, pledgee, transferee, other successor-in-interest intends to sell our securities, we will, to the extent required, promptly file a supplement to this prospectus to name specifically such person as a Selling Securityholders.

There can be no assurance that the Selling Securityholders will sell all or any of the securities offered by this prospectus. In addition, the Selling Securityholders may also sell securities under Rule 144 under the Securities Act, if available, or in other transactions exempt from registration, rather than under this prospectus. The Selling Securityholders have the sole and absolute discretion not to accept any purchase offer or make any sale of securities if they deem the purchase price to be unsatisfactory at any particular time.

To the extent required, the securities to be sold, the name of the Selling Securityholders, the respective purchase prices and public offering prices, the proceeds to be received from the sale, if any, and other material terms of the offering, the settlement of short sales entered into after the date of this prospectus, the names of any agents, dealer or underwriter, any applicable commissions or discounts or any other items constituting compensation from the Selling Securityholders with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In connection with the sale of our securities, the Selling Securityholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our securities in the course of hedging the positions they assume. The Selling Securityholders may also sell our securities short and deliver these securities to close out their short positions, or loan or pledge our securities to broker-dealers that in turn may sell these shares. The Selling Securityholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

In order to facilitate the offering of the securities, any underwriters or agents, as the case may be, involved in the offering of such securities may engage in transactions that stabilize, maintain or otherwise affect the price of our securities. Specifically, the underwriters or agents, as the case may be, may overallocate in connection with the offering, creating a short position in our securities for their own account. In addition, to cover overallocations or to stabilize the price of our securities, the underwriters or agents, as the case may be, may bid for, and purchase, such securities in the open market. Finally, in any offering of securities through a syndicate of underwriters, the underwriting syndicate may reclaim selling concessions allotted to an underwriter or a broker-dealer for distributing such securities in the offering if the syndicate repurchases previously distributed securities in transactions to cover syndicate short positions, in stabilization transactions or otherwise. Any of these activities may stabilize or maintain the market price of the securities above independent market levels. The underwriters or agents, as the case may be, are not required to engage in these activities, and may end any of these activities at any time.

In offering the securities covered by this prospectus, the Selling Securityholders and any underwriters, broker-dealers or agents who execute sales for the Selling Securityholders may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. Any discounts, commissions, concessions or profit they earn on any resale of those securities may be underwriting discounts and commissions under the Securities Act.

The Selling Securityholders may solicit offers to purchase the securities directly from, and it may sell such securities directly to, institutional investors or others. In this case, no underwriters or agents would be involved. The terms of any of those sales, including the terms of any bidding or auction process, if utilized, will be described in the applicable prospectus supplement.

It is possible that one or more underwriters may make a market in our securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for our securities. Our shares of common stock and Public Warrants are currently listed on the NYSE under the symbols “SHPW” and “SHPW WS”, respectively.

The Selling Securityholders may authorize underwriters, broker-dealers or agents to solicit offers by certain purchasers to purchase the securities at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions we or the Selling Securityholders pay for solicitation of these contracts.

A Selling Securityholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by any Selling Securityholder or borrowed from any Selling Securityholder or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from any Selling Securityholder in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and will be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, any Selling Securityholder may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or in connection with a concurrent offering of other securities.

In effecting sales, broker-dealers or agents engaged by the Selling Securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the Selling Securityholders in amounts to be negotiated immediately prior to the sale.

In compliance with the guidelines of the Financial Industry Regulatory Authority (“FINRA”), the aggregate maximum discount, commission, fees or other items constituting underwriting compensation to be received by any FINRA member or independent broker-dealer will not exceed 8% of the gross proceeds of any offering pursuant to this prospectus and any applicable prospectus supplement.

If at the time of any offering made under this prospectus a member of FINRA participating in the offering has a “conflict of interest” as defined in FINRA Rule 5121 (“Rule 5121”), that offering will be conducted in accordance with the relevant provisions of Rule 5121.

To our knowledge, there are currently no plans, arrangements or understandings between the Selling Securityholders and any broker-dealer or agent regarding the sale of the securities by the Selling Securityholders. Upon our notification by a Selling Securityholders that any material arrangement has been entered into with an underwriter or broker-dealer for the sale of securities through a block trade, special offering, exchange distribution, secondary distribution or a purchase by an underwriter or broker-dealer, we will file, if required by applicable law or regulation, a supplement to this prospectus pursuant to Rule 424(b) under the Securities Act disclosing certain material information relating to such underwriter or broker-dealer and such offering.

Underwriters, broker-dealers or agents may facilitate the marketing of an offering online directly or through one of their affiliates. In those cases, prospective investors may view offering terms and a prospectus online and, depending upon the particular underwriter, broker-dealer or agent, place orders online or through their financial advisors.

The underwriters, broker-dealers and agents may engage in transactions with us or the Selling Securityholders, or perform services for us or the Selling Securityholders, in the ordinary course of business.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the Selling Securityholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the Selling Securityholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the Selling Securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Selling Securityholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We will make copies of this prospectus available to the Selling Securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Selling Securityholders may indemnify any agent, broker-dealer or underwriter that participates in transactions involving the sale of the securities against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify certain of the Selling Securityholders against certain liabilities, including certain liabilities under the Securities Act, the Exchange Act or other federal or state law. Agents, broker-dealers and underwriters may be entitled to indemnification by us and the Selling Securityholders against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the agents, broker-dealers or underwriters may be required to make in respect thereof.

We have agreed with certain Selling Securityholders pursuant to the Subscription Agreements to use commercially reasonable efforts to keep the registration statement of which this prospectus constitutes a part effective until such time as (i) such Selling Securityholders cease to hold any of the shares acquired under such Subscription Agreements or, (ii) the date all such shares may be sold without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions which may be applicable to affiliates under Rule 144 and without the requirement for us to be in compliance with the current public information required under Rule 144(e)(1) or Rule 144(i)(2), as applicable and (iii) two years from the date of effectiveness of the registration statement of which this prospectus is a part.

A holder of Public Warrants may exercise its Warrants in accordance with the Warrant Agreement on or before the expiration date set forth therein by surrendering, at the office of the warrant agent, Continental Stock Transfer & Trust Company, the certificate evidencing such Warrant, with the form of election to purchase set forth thereon, properly completed and duly executed, accompanied by full payment of the exercise price and any and all applicable taxes due in connection with the exercise of the Warrant, subject to any applicable provisions relating to cashless exercises in accordance with the Warrant Agreement.

**Item 15. Indemnification of Directors and Officers.**

Section 145 of the DGCL permits a corporation to indemnify its directors and officers against expenses, including attorneys' fees, judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties. The directors or officers must have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, an action only by or in the right of the corporation, indemnification may be made only for expenses actually and reasonably incurred by directors and officers in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they must have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation. No indemnification may be made if such person must have been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought must determine upon application that the defendant officers or directors are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability. Our Charter and our Bylaws provide for indemnification by Shapeways of its directors, senior officers and employees to the fullest extent permitted by applicable law.

Section 102(b)(7) of the DGCL permits a corporation to provide in its charter that a director of the corporation must not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) for payments of unlawful dividends or unlawful stock purchases or redemptions or (4) for any transaction from which the director derived an improper personal benefit. Our Charter provides for such limitation of liability.

We have entered into indemnification agreements with each of our directors and officers in which we have agreed to indemnify, defend and hold harmless, and also advance expenses as incurred, to the fullest extent permitted under applicable law, from damage arising from the fact that such person is or was an officer or director of our company or our subsidiaries.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, our Charter, our Bylaws, any agreement, any vote of stockholders or disinterested directors or otherwise.

We maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

We have purchased and intend to maintain insurance on behalf of the registrant and any person who is or was a director or officer against any loss arising from any claim asserted against him or her and incurred by him or her in that capacity, subject to certain exclusions and limits of the amount of coverage.

**Item 17. Undertakings.**

The undersigned registrant, hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - i. To include any prospectus required by Section 10(a)(3) of the Securities Act;
  - ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in

the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

- iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
  - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
  - (4) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however, that* no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
  - (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
    - i. Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
    - ii. Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
    - iii. The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
    - iv. Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
  - (6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director,

officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
